Dear all:

The Tour Bus meeting with the Santa Monica folks will be tomorrow at 10:30 am at the Santa Monica Convention & Visitors Bureau (1920 Main Street Ste. B, Santa Monica Ca 90405).

The main entrance is on Main street where the large "information i" is located.

There is metered parking located all around the office, just make sure not to park on the ones out front because they are just loading zones.

If you take a right onto Bay Street and pass the traffic light there is a parking lot of 5 hour meter parking.

Please let me know if you plan on attending so I can get an accurate head count.

Thanks so much!

-Nicole

Subject: Notes from May 1 meeting re/ Sightseeing Tour Busses in Hollywood

Friends,

See attached.

I attempted to gather together your ideas into our "wish list" for an ideal regulatory framework for Hollywood. Please advise as to whether I missed any of the main points made during the discussion.

We are planning a "field trip" to Santa Monica this Friday to learn how their city handles their busses and vans. Nicole Shahenian from the Chamber has organized this trip, so I will rely upon her to send out a reminder along with parking instructions. Perhaps we can have lunch together afterwards.

After our Santa Monica trip, we'll determine next steps, and whether we are ready to hand this list over to the city for their reaction.

PS: I have a phone appointment scheduled for tomorrow with the Times Square Alliance to find out how busses are regulated in New York.

Best regards,

Kerry Morrison
